Undergraduate Tuition is charged per credit hour with no minimum nor maximum credit hour assessment. Graduate and Extended Campus Tuition is charged per credit hour with a minimum 3 credit hours assessment and a maximum 9 credit hours assessment. The Immigration Services Fee is not assessed for the summer semester.

All Tuition and Fees are subject to the university's existing [refund policies and procedures](#). Students should review their account upon adding or dropping courses.

For example, Virginia School Personnel who reside outside of Virginia would receive the reduced tuition rate on the in-state portion of the tuition and the student would be responsible for the full amount of the additional out-of-state tuition charge.

To receive the Virginia School Personnel reduced tuition rate, please complete the form hosted by the Graduate School:

[K-12 Reduced Tuition Request](#)

Full-time employment in a Virginia school must be verified by the school system and the form returned to the Graduate School for processing. Submission of the form is required each academic year to receive the reduced tuition rate (fall semester through summer semester).

### Student Budget (Cost of Attendance)

The Student Budget, also known as the Cost of Attendance (COA), is the estimated amount it will cost a student to attend Virginia Tech. This varies based on different factors such as program of study, residency, and housing options. Each budget includes estimated direct costs as well as indirect costs. Direct costs may include tuition, fees, food, and housing charges while indirect costs include transportation, personal expenses, books, course materials, supplies, and equipment. Students can find more information on the Cost of Attendance at <https://finaid.vt.edu/undergraduate/coa.html> or find their own personalized COA through their HokieSpa. If students have higher costs, there are certain components that students may appeal to increase the budget. More information on this appeal options can be found at <https://finaid.vt.edu/appeals/cost-of-attendance-appeal.html>. Contact the Office of University Scholarships and Financial Aid or use our chatbot if you have questions.
